About 50 bingo enthusiasts attended a successful MLCC Turkey Bingo held at the Mabel Lake Hall on October 6<sup>th</sup>. A number of prizes were won, including a turkey donated for the event by Sheardown's in Lumby. Thank you also to Connie Hopkins of Baba's Kitchens, who donated perogies and cabbage rolls. Many thanks to the MLCC volunteers who called the numbers, manned the food and beverage counter, and helped setup and cleanup.

We were saddened to hear of the recent sudden passing of a local community member and neighbour, Kevin Tiede. Kevin and his partner Laurie operated Silver Hills Lowline Cattle ranch, and provided beef for community events. A memorial was held for Kevin at the Mabel Lake Hall on November 23<sup>rd</sup>. Our sincere condolences to Laurie, and to Kevin's family and friends.

This photo, contributed by Terri Deuling, shows a Barred Owl perched on the stop sign at the corner of Lumby Mabel Lake Road and Cartwright Road. Terri wondered if the owl had been displaced by the October 25<sup>th</sup> windstorm which wreaked havoc in the Shuswap Falls area. Numerous large trees were blown down in a brief, intense storm, which damaged houses and outbuildings, destroyed a vehicle, and downed power lines, causing a power outage which lasted more than 24 hours for some residents.
