Have you noticed new Adopt-a-Highway signs along Mabel Lake Road? MLCC has joined the Adopt-a-Highway program, and will organize volunteer roadside clean-up days next spring. We recognize the many community members who already do roadside clean-up in our area on a regular basis.... thank you for doing so; please stay safe!

There are now road signs warning of the narrow bridge over the river.... hopefully no more near misses on the bridge!

TO PLACE LOCAL ADVERTISING, NOTICES, OR COMMUNITY EVENTS IN THE STUMP RANCHER, CONTACT THE EDITOR AT 250-547-8934.

MLCC Annual General Meeting followed by Regular Meeting and Election of Officers Friday, October 23, 2020 7 PM Mabel Lake Community Hall 111 Shuswap Falls Road

Would you like to be actively involved in your community? The Mabel Lake Community Club is your local community association! The MLCC is involved in a number of activities, including hall functions and maintenance, seasonal social events, and environmental protection and clean-up. There are always opportunities for your involvement in the association.... everything from being a Director, to helping maintain the hall, to helping organize events....and more! Come to the AGM to learn more about the MLCC and what it has been doing over the past year.

The AGM will be held under COVID-19 guidelines as issued by the Regional District and Interior Health. Social distancing will be in effect; hand sanitizer will be available for use; please wear face masks while inside the hall.
